BEFORE AND AFTER SCHOOL HOURS

School hours are from 7:50 a.m. until 3:05 p.m. each day. The school doors will open at 7:10 a.m. each morning. Children should NOT arrive earlier than 7:10 a.m. (the school will not be responsible for students prior to 7:15am) or remain on the campus later than 3:10 p.m. unless they are participating in a supervised activity or child care services. Students entering the building each morning in grades K-8 should immediately report to the gym. For the safety of all students, parents MUST use the front entrance ONLY when dropping off or picking up children each morning and/or afternoon. ONLY employee vehicles and school buses are allowed at the back entrances at any time during school hours. Car riders must ride in the car. Any student waiting to ride with a high school student must wait in the gym until the high school student has arrived.

If a student is not in their homeroom by 7:50, they will be considered TARDY. When a student is tardy, he/she must have a parent/guardian to report to the main office to sign the student in for the day. Once on campus, NO student shall leave without permission until the end of the school day.

Students who become ill or are injured while at school shall be dismissed only after parents/guardians have been notified. Exceptions to this policy shall be made only in case of emergency. Students shall be dismissed before the school day officially ends only when a parent/guardian sends a written request, calls the school office to explain the reason for early dismissal, or appears in person requesting the student’s dismissal. All requests are subject to verification. All of the above procedures are designed for the safety and well-being of your children.

** All parents/guardians who are picking up their children in the afternoon must wait OUTSIDE the school building for dismissal. Car riders will be dismissed daily at 3:00 p.m.

INCLEMENT WEATHER

When you think school may be out or dismissed early due to weather conditions, please listen to 97.7 FM radio station. Also the school shall attempt to contact you through our global connect system. It is important for us to have the numbers where you, or other responsible persons, may be reached.
ATTENDANCE

The Gibson County School District adopted a policy which recognizes that good attendance is considered a necessity to achieve at the elementary/middle school level. Therefore, the following policy regarding absenteeism and tardiness has been adopted. PLEASE READ CAREFULLY

Absences shall be classified as either excused or unexcused as determined by the principal or designee. Excused absences include the following: 1) Personal illness, 2) Illness of immediate family member, 3) Death in the family, 4) Extreme weather conditions, 5) Religious observations, or 6) Circumstances which in the judgement of the principal create emergencies over which the student has no control. All other reasons given for absences will be considered unexcused. The following notes will be used to excuse student absences: 1) maximum of five parent notes per year (note must reflect one of the reasons listed above), 2) doctor, and 3) funeral home. A DENTIST NOTE WILL NOT BE ACCEPTED for an entire day unless there was extensive work done and the note must state the extent of the work. After the third unexcused absence, a phone call to the parent or a certified letter through the mail will indicate a warning of truancy danger. Upon the 5th unexcused absence, a child will be reported to the Gibson County Truancy Board. High absenteeism is not allowed for ANY student unless they are seriously ill and/or hospitalized. Students CAN and WILL be retained for high absenteeism. ALL ABSENT STUDENTS MUST BRING IN A NOTE THE NEXT DAY.

If your child is sick by all means keep them at home and if they have fever, they MUST BE fever free for 24 HOURS before they can come back to school.

A parent/guardian MUST phone the school (731-483-4489) on the day of the absence no later than 12:00 noon to inform the secretary/principal of the reason the student is absent. When the child returns to school, he/she is required to bring a NOTE to the office explaining the absence in order to receive an admit slip to enter the classroom.

Make up work will only be allowed for excused absences. In order to receive an excused absence, the above procedures must have occurred on the day of the absence and the reason must be one that is acceptable. Each day missed they will have one day for each missed to get make up work finished and turned in.

SCHOOL BREAKFAST AND LUNCH

To expedite the breakfast and lunch procedures, we request that each child send their check or money in a sealed envelope to the cafeteria on Monday mornings between 7:30 a.m. to 7:50 a.m. for the entire week. Write on the outside of the envelope the student’s name, the homeroom teacher’s name, and the amount enclosed. If writing a check for more than one child, list each child’s name along with their teacher’s name and the amount enclosed. If a child is absent during the week, the unused days will be applied to the next week. Students, staff members, or visitors are NOT allowed to charge lunches. This is necessary as only 3 types of student lunches are authorized: free, reduced, and paid.

Meals may be purchased on a daily basis. The money will be taken up as the student travels through the lunch line with each meal.

If paying by check, please make your checks for lunch ONLY. We cannot and will not accept the check if anything else is added on. Please send ice cream/snack money separately as this is handled separately from the breakfast and lunch account. If we have ONE of your checks returned due to insufficient funds, then only cash will be accepted for payment of school lunches and/or school fees for the remaining time of the current school year. Also, there is a limit of $50.00 on each student and this limit WILL NOT BE EXTENDED.

CODE OF CONDUCT-DISCIPLINARY PROCEDURES

When a student misbehaves, disciplinary actions will be taken. The type of punishment will depend on the nature of the misbehavior with the philosophy of being fair to each student at all times. Punishment will never be given for the sake of punishing alone, but in hopes of teaching the student responsible behaviors. On behalf of the faculty and staff members, we look forward to your cooperation if any encounter occurs that involves disciplinary actions with your child. All disciplinary decisions are according to GCSSD Board Policy.

The methods of punishment are listed below in no particular order:

♦ Parent Notification/Verbal Warning
♦ Breaks and/or privileges taken away for a period of time
♦ A written report/assignment given
♦ Corporal punishment (paddling)
♦ After school detention
♦ In – School suspension
♦ Out-of-School suspension
♦ Assigned to an alternative school setting (Alternative School)

Disorderly conduct, the illegal possession of weapons, and the illegal use, possession, distribution, and sale of tobacco, alcohol, and other drugs by students is prohibited.

As a last resort, a student’s behavior may require that a paddling be administered. When a student is paddled, certain procedures are followed.
1. Parent will be contacted prior to administering the paddling.
2. The student will be paddled with another teacher present to serve as a witness.
3. The paddling will be documented by the teacher and/or principal.
GENERAL SCHOOL RULES

To ensure that students have a positive learning environment, it is necessary to enforce rules. These rules must be simple, clearly defined, and understood by all students, parents and staff members. When a student violates one of these rules, the above disciplinary measures will be taken. Disruptive behavior takes away from instructional time and infringes upon the rights of others. Therefore, each child’s behavior should reflect self-respect and consideration for the rights, feelings, and property of others:

- Be prepared and on time for class each day – bring books, paper, pencil and completed assignments.
- NO ROLLING BOOK BAGS ALLOWED.
- Show respect and be courteous to all teachers, staff members, substitute workers, classmates and any guests who visit the school.
- Do not have possession of or the use of drug(s) and/or tobacco products at school. The possession or use of such items by a minor is in violation of state law and will result in strict punishment.
- Any student who possesses tobacco products shall be issued a citation by the school principal/resource officer. 3. The director of schools, in cooperation with the juvenile court and the local (police/sheriff’s department), is responsible for developing procedures for issuance of the citations which shall include the form and content of citations and methods of handling completed citations.
- Parents and students shall be notified of this citation requirement at the beginning of each school year.
- Students will be RESPONSIBLE for keeping up with their own belongings. All textbooks and materials are to be placed in their assigned locker when not in use. DO NOT LEAVE ITEMS IN THE GYMNASIUM, HALLWAYS, ETC. The lockers must remain neat and orderly at all times. NO STICKERS are to be placed on the inside or outside of the lockers. You may purchase a lock for your locker, but it MUST be a lock opened by a key and not a combination lock. The student must report to the office that he/she has a lock and the spare key will remain in the office. All lockers may be searched or inspected at any time.
- No running or unnecessary noises in the hallway.
- No foul language.
- No CHEWING GUM in the building. No eating candy or food during classes unless given permission by a teacher or staff member.
- No CD players, cassette players, radios, toys, collector cards, and the like allowed in the building unless specified by a teacher. These items will be taken from the student and held in the office for a parent to pick up. If brought, the school will not be held responsible for any lost or stolen item.
- No threatening, fighting, or extortion will be tolerated at any time.
- Possession of knives or weapons of any kind, including toy weapons, will not be allowed.

STUDENT CELL PHONE USE

Students in grades 5 – 8 will be permitted to have cell phones in their possession throughout the school day. However, cell phone use will only be permitted before school doors open at 7:15am and after the school day dismisses at 3:10pm. Students must have their cell phones turned off during the school day; cell phones shall cause no disruptions. Cell phones will not be VISIBLE during the school day. Should a student be observed using a cell phone, or a cell phone rings during the school day, disciplinary action will include, but is not limited to, the principal’s referral and confiscation of the phone. Additionally, student abuse of the policy will result in the student losing the privilege to be able to carry a cell phone permanently. For further information on cell phones, refer to GCSSD board policy descriptor code 6.312.
**BUS PROCEDURES AND CONDUCT**

Buses are considered as a privileged means of transportation for your child to the school. All students must show respect for others while riding on the bus. Any problems on the bus should be reported immediately to the bus driver. Students must obey the bus driver and abide by the following rules at all times.

1. Remain seated at all times while the bus is in route
2. No food or drinks are allowed to be eaten on the bus
3. No horse playing (hitting, pushing, etc.)
4. No loud or foul language used at any time
5. No smoking or using tobacco products
6. No drugs or alcohol
7. No destructive damage to the bus while riding (writing on the seats, tearing the seats, etc.)

*Video cameras are placed on all school buses for the protection of all children. Tapes are reviewed regularly and may be used to enforce the rules of bus conduct.*

Failure to follow school bus rules may result in your child receiving appropriate disciplinary actions as stated on page 5. The time your child rides on a school bus, whether morning or afternoon, is considered "school time" and will be treated NO differently when it comes to disciplinary actions. **Students must ride their assigned bus only, unless a note signed by a parent/guardian giving permission to ride another bus to a designated place other than their home is given to the bus driver.**

**CARE OF SCHOOL PROPERTY**

Students shall help maintain the school environment, preserve school property and exercise care while using school facilities. School property is defined as buildings, buses, books, equipment, furniture, instructional materials or any other item under the jurisdiction of the Gibson County School District. Students can best show their appreciation and pride by taking care of the building, equipment and campus so they can be passed on to future students in good condition. Any student who defaces, damages, or destroys school property will be required to repair or replace the damaged item and will also face further disciplinary action. Except in cases of unavoidable accidents, students are liable for all damage they may do to school property.

HOME & SCHOOL COMMUNICATIONS

We place great emphasis and efforts in informing you of any change in schedule and/or special school events taking place.
MEDICATION

In the event a child receives minor injuries at school, hydrogen peroxide will be available to cleanse the wound. Should the injury be considered by the teacher to be serious enough to need a doctor’s attention, a parent will be notified at that time.

Should it be necessary for the student to take any prescription or other medicine at school, the parent/guardian must contact the school to complete an Authorization Form from the office stating permission for the classroom teacher to administer or assist in giving medications to the student. Unless the office has the form completed and signed, the student will not be allowed to take any medication during the school day. (This procedure is from the Gibson County School Board Policy Manual)
